ARTICLE 1

Premises and purpose of the document – Information on the offices held by the Directors of Enel S.p.A.

- 1.1 The Directors of Enel S.p.A. (hereinafter, also the “Company”) shall accept and hold the office because they believe they will be able to dedicate the time necessary to perform their duties diligently, taking into account both the number and nature of the offices they hold on the boards of directors and boards of statutory auditors in other companies of significant size and the commitment required of them by their additional professional activities and the offices they hold in associations.
- 1.2 Adopted to implement the recommendations of article 1.C.3 of the Self-regulation Code of listed companies, the present document expresses the guidelines of the Board of Directors of Enel S.p.A. regarding the maximum number of offices that its members may hold on the boards of directors and boards of statutory auditors of other companies of significant size, in order to ensure that the persons concerned have sufficient time available to effectively perform the duties of their role on the Board of Directors of Enel S.p.A.
- 1.3 For the purposes of the present document, “companies of significant size” shall mean:
- a. companies with shares listed on regulated markets, including foreign ones;
 - b. companies – Italian or foreign – with shares not listed on regulated markets that do business in insurance, banking, security dealing, investment management, or finance;
 - c. other companies – Italian or foreign – with shares not listed on regulated markets that, even though they do business in industries other than those specified under letter b) above, have total assets exceeding

€1,000 million and/or revenues exceeding €1,700 million according to the latest approved financial statements.

1.4 The Company's Directors, upon the acceptance of their office, shall inform Enel S.p.A.'s Department of Legal and Corporate Affairs of any office they hold on the boards of directors and boards of statutory auditors in other companies of significant size. Furthermore, they shall promptly inform Enel S.p.A.'s Department of Legal and Corporate Affairs of any change that takes places with regard to the above mentioned offices.
