 - 2) **Certified Email Holders (CEM)**: as an attachment document (PDF format) sent to enel@pecserviziottitoli.it in the event that the Proxy Grantor (as Individual or as Legal Entity) is a Certified Email Holder;
 - 3) **Advanced Electronic Signature Holders (AdES)**: by sending the proxy signed with Advanced Electronic Signature by certified Email or by common Email to enel@pecserviziottitoli.it in the event that the Proxy Grantor (as Individual or as Legal Entity) is an Advanced Electronic Signature Holder;
 - 4) **Common Email address Holders**: as an attachment document (PDF format) sent to enel@pecserviziottitoli.it;
 - 5) **Via FAX**: number +39 06 4541 7450.

If not already provided through the specific online form or through a document signed with AdES and sent by CEM, the original of the proxy and of the voting instructions, together with an undersigned ID copy and, in the case of a legal entity, the documentation proving representative powers of the signatory, shall be sent to Computershare S.p.A., Via Monte Giberto no. 33, 00138 Rome.

The use of different email address than those mentioned above or a delay respect to the deadline, as well as the only use of ordinary mail service, will not ensure the correct submission of the proxy

2. Specify the capacity of the proxy signatory and attach, if necessary, documentation proving representative powers of the signatory.
3. To be completed only if the owner of the shares is different from the proxy signatory; mandatory indications on relevant personal details must be included.
4. Provide details on the securities account numbers, Bank Codes and Sort Codes of the Depository Intermediary, or in any case his or her name, available in the securities account statement.
5. Reference to the communication made by the intermediary and his/her name, if other than the depository of the securities account as per point 4 above.
6. Provide details on a valid form of identification of the proxy signatory.
7. Provide the name and surname of the signatory of the Proxy form and Voting instructions.
8. Pursuant to article 135-undecies, paragraph 3, of the TUF, "Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders' meeting. With regard to proposals for which no voting instructions are given, the shares of the shareholder concerned are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried".
9. The resolutions proposed to the Shareholders' Meeting, which are briefly referred to herein, are reported in the explanatory reports published on the Company's website www.enel.com and available at Enel S.p.A.'s registered office.

Computershare S.p.A., as Appointed Representative, does not have any personal interest in the proposals mentioned above; however, in the event of unknown circumstances or in the event of amendment or integration to the proposals submitted to the Meeting, Computershare does not intend to vote in a manner incompatible with the instructions received in Sections A, B and C.

The vote is expressed by ticking the relevant box between the following: **F** (for), **C** (against) or **A** (abstention) or filling in the relevant box as indicated in the single sections of the form.
10. Section A2 allows to give voting instructions in case an **alternative, complementary or additional** resolution to the motion proposed by the Board of Directors has been submitted and published pursuant to art. 126-bis of the TUF, within the term and in the cases provided for by the law. The Appointed Representative shall vote on each proposal in accordance with the instructions received hereby since it is up to the proxy giver to give instructions aligned with the (alternative or complementary) proposals that might be published.
11. Should a vote be casted on a proposal other than those disclosed within the terms provided for by the law, the Appointed Representative won't be able to vote without instructions. Therefore, should circumstances of importance which amend or integrate published proposals of resolution occur, which were unknown at the time of issue of the proxy, which cannot be communicated to the proxy giver and could modify its voting instructions, one of the following options may be chosen in sections B and C: **Conf** (confirm), **Canc** (cancel) or **Mod** (modify) the voting instruction already expressed. If no choice is made, the voting instructions in Section A are confirmed. Particularly, if during the Meeting a motion replacing the proposals already published is submitted for the approval (or an alternative proposal in case the published proposal has not obtained the majority of the votes required for its approval), the proxy giver shall give voting instructions in Section C which replace or integrate those of Section A.

In addition to the above, please make reference also to the instructions indicated in the single sections of the form.
12. The voting instructions expressed in relation to the different proponents' identities as indicated in Section C may be identical to each other but such instructions are binding on the Appointed Representative who shall vote only if the proponent's identity is as indicated in the relevant voting instructions.

In the **absence** of a proposal of the Board of Directors, the Shareholders' Meeting shall be called to resolve upon a proposal submitted during or before the Meeting, pursuant to applicable laws or to the Italian Corporate Governance Code. Therefore, the voting instructions are collected by the Appointed Representative in Section C as sole voting instruction on the proposals submitted to the Meeting by the proponents specified in that section.
13. Indicate the number of the list (as provided on the Company's website) that you want to vote "for" or indicate your preference to vote against (C) or to abstain (A) which will apply to all lists. If only one list is filed, the voting instructions will relate to that one.
14. It is recalled that this resolution is not binding (according to Article 123-ter, paragraph 6, of the TUF).

Article 135-undecies

(Appointed representative of a listed company)

1. Unless the Articles of Association decree otherwise, companies with listed shares designate a party to whom the shareholders may confer, for each shareholders' meeting and within the end of the second trading day prior to the date scheduled for the shareholders' meeting, including for callings subsequent to the first, a proxy with voting instructions on all or some of the proposals on the agenda. The proxy shall be valid only for proposals on which voting instructions are conferred.

3. Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders' meeting. With regard to proposals for which no voting instructions are given, the shares are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried.
4. The person appointed as representative shall communicate any interest, personal or on behalf of third parties, that he or she may have with respect to the resolution proposals on the agenda. The approval of a resolution to bring derivative action shall result in the removal of the director against whom such action is brought provided that votes representing at least one fifth of share capital are in favor. In such an event, shareholders shall provide for the replacement of that director.
6. The company may waive its right to bring derivative action and accept a settlement, subject to the waiver and settlement having been approved by shareholders, and provided that such motion is not opposed by minority shareholders representing at least one fifth of share capital, or, for listed companies, at least one-twentieth of share capital, or such percentage as may be established in the company's by-laws in relation to derivative actions brought by the company pursuant to Article 2393-bis
