

# Quantification of decarbonization levers

June 2026

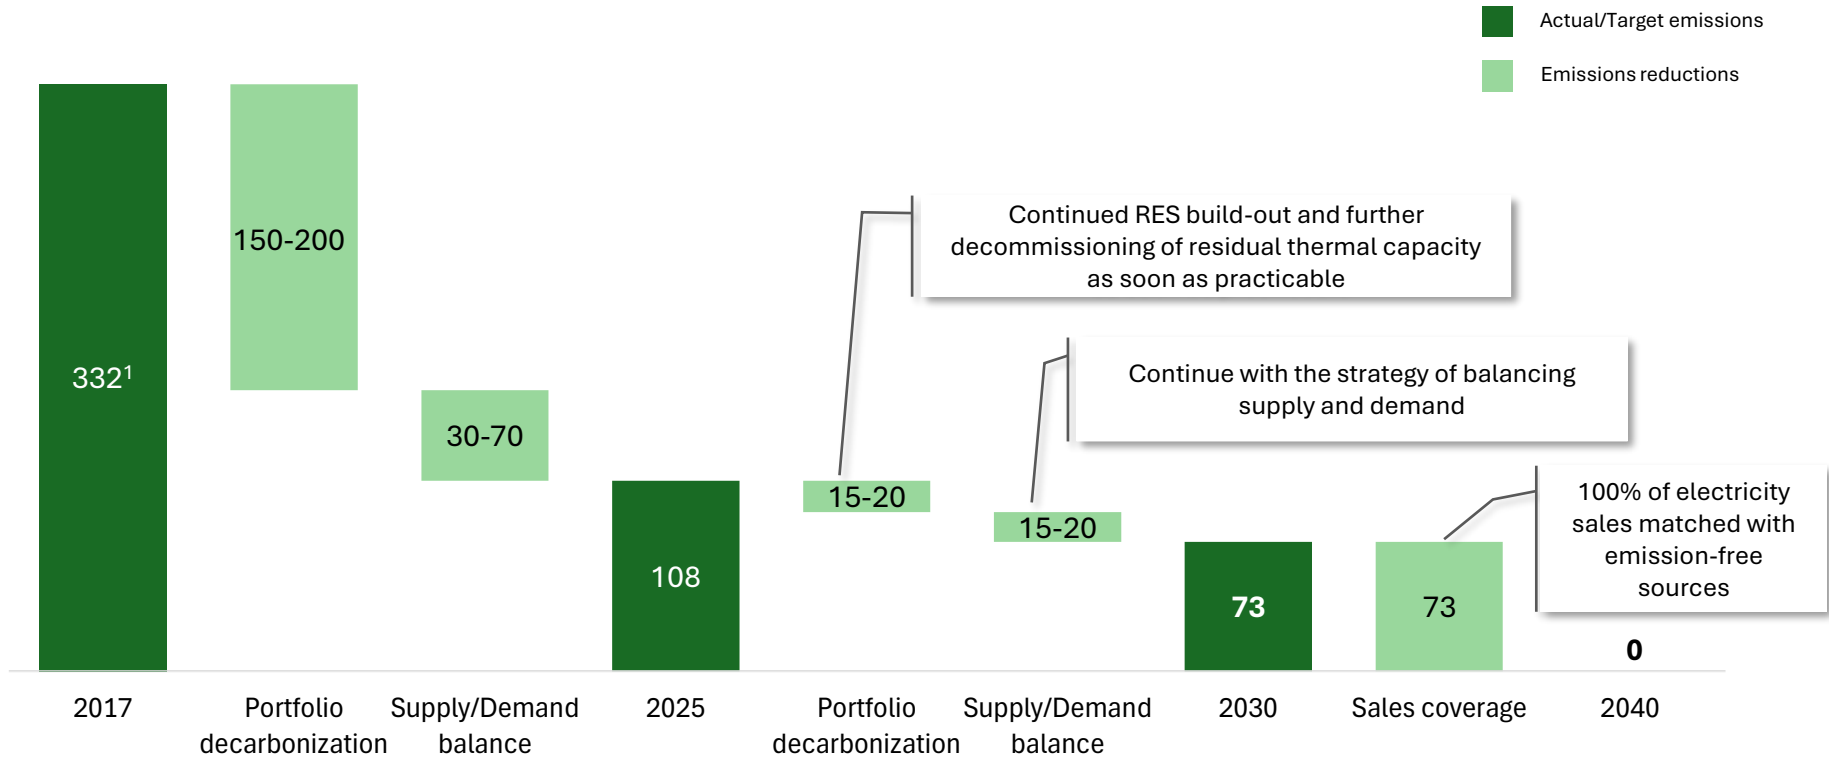

# Scope 1 generation (gCO<sub>2eq</sub>/kWh)

1. Consistent with 2022 restatement that also reflects perimeter reshaping and strategic refocus on lower carbon generation

2. Considers nuclear and renewable production (consolidated and unconsolidated)

# Scope 1&3 Integrated Power (gCO<sub>2eq</sub>/kWh)

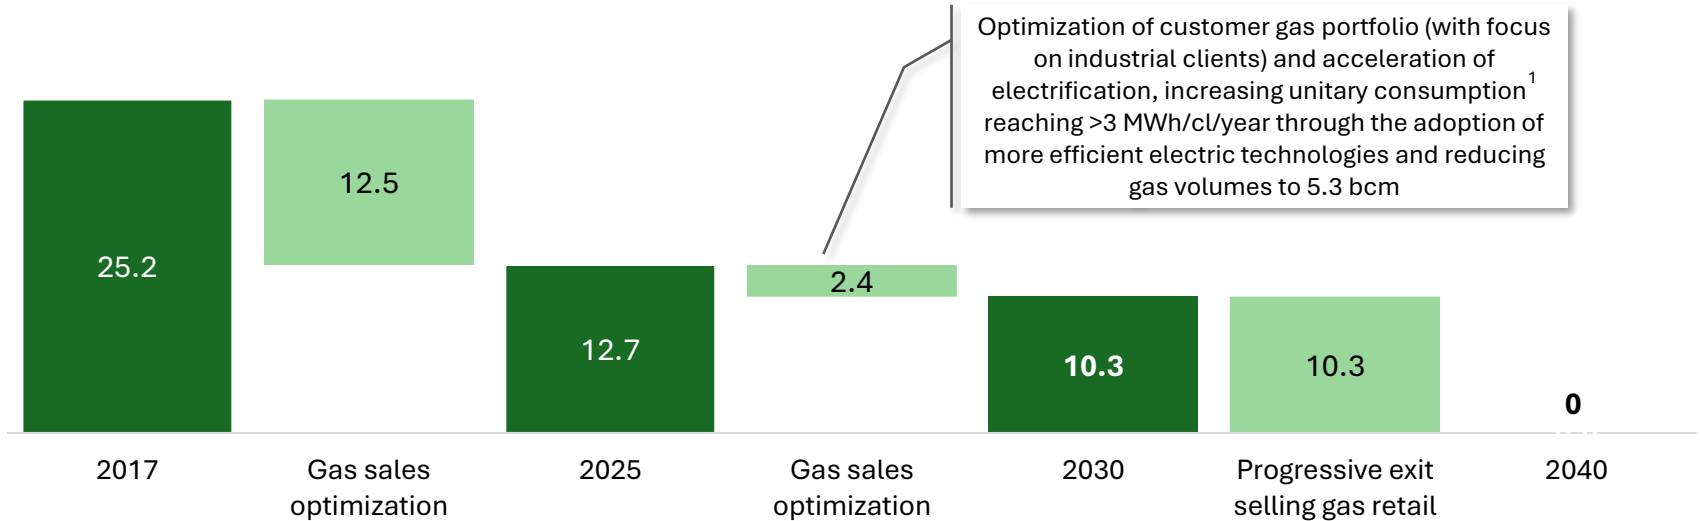

1. Consistent with 2022 restatement that also reflects perimeter reshaping and strategic refocus on lower carbon generation

# Scope 3 Gas Retail (MtCO<sub>2eq</sub>)

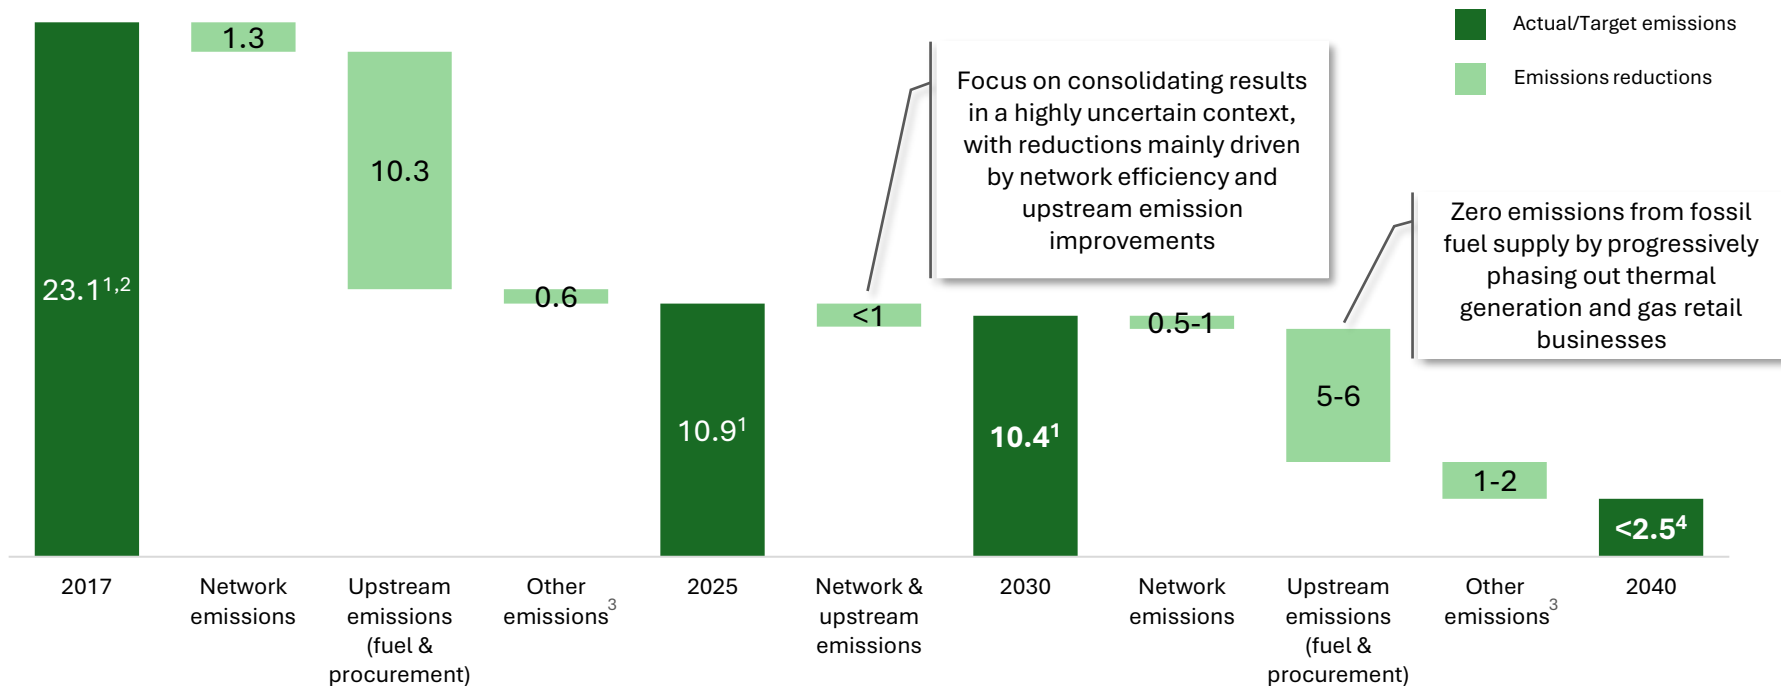

- Actual/Target emissions
- Emissions reductions

1. Power B2C free Italy and Iberia

# Additional Scope 1, 2 & 3 Emissions (MtCO<sub>2eq</sub>)

Residual share neutralized through **carbon removal actions** if full mitigation of emissions is not feasible due to exogenous factors

1. Target Boundary 2030 (40% of suppliers' emissions in 2017)  
 2. Consistent with 2022 restatement that also reflects perimeter reshaping and strategic refocus on lower carbon generation  
 3. Including: Scope 1 emissions from fugitive SF6, mobile fleet and offices, residual Scope 2 emissions and Scope 3 category 4 (upstream transportation & distribution) emissions  
 4. Target Boundary 2040 (54% of suppliers' emissions in 2017)

# Disclaimer

This presentation contains certain forward-looking statements that reflect the Company's management's current views with respect to future events and operational performance of the Company and its subsidiaries. These forward-looking statements are based on Enel S.p.A.'s current expectations and projections about future events. Because these forward-looking statements are subject to risks and uncertainties, actual future results or performance may differ materially from those expressed in or implied by these statements due to any number of different factors, many of which are beyond the ability of Enel S.p.A. to control or estimate precisely, including changes in the regulatory environment, future market developments, fluctuations in the price and availability of fuel and other risks. You are cautioned not to place undue reliance on the forward-looking statements contained herein, which are made only as of the date of this presentation. Enel S.p.A. does not undertake any obligation to publicly release any updates or revisions to any forward-looking statements to reflect events or circumstances after the date of this presentation. The information contained in this presentation does not purport to be comprehensive and has not been independently verified by any independent third party. Certain numbers in this presentation are rounded, while certain figures may have been restated. This presentation does not constitute a recommendation regarding the securities of the Company. This presentation does not contain an offer to sell or a solicitation of any offer to buy any securities issued by Enel S.p.A. or any of its subsidiaries.
