Group simplification: update on Latam restructuring

1. Exercise price of withdrawal right equal to the weighted average price of the 60 trading days preceding the 30th trading day prior to the EGM; except Chilectra that will be at book value
2. Dissenting/absent shareholders may exercise their withdrawal rights up to 30 days after the EGM and sell their shares to the Company. Capped at 7.72% of the shares in the case of Endesa Americas and 10% of the shares in the case of Enersis Americas, but only to the extent that such withdrawal right level will not lead any shareholder to exceed the maximum ownership of 65% of Enersis Americas after the merger is formalized
3. End of Tender Offer expected ~35 days after the EGMs

Disclaimer

This presentation contains certain forward-looking statements that reflect the Company's management's current views with respect to future events and financial and operational performance of the Company and its subsidiaries. These forward-looking statements are based on Enel S.p.A.'s current expectations and projections about future events. Because these forward-looking statements are subject to risks and uncertainties, actual future results or performance may differ materially from those expressed in or implied by these statements due to any number of different factors, many of which are beyond the ability of Enel S.p.A. to control or estimate precisely, including changes in the regulatory environment, future market developments, fluctuations in the price and availability of fuel and other risks. You are cautioned not to place undue reliance on the forward-looking statements contained herein, which are made only as of the date of this presentation. Enel S.p.A. does not undertake any obligation to publicly release any updates or revisions to any forward-looking statements to reflect events or circumstances after the date of this presentation. The information contained in this presentation does not purport to be comprehensive and has not been independently verified by any independent third party.

This presentation does not constitute a recommendation regarding the securities of the Company. This presentation does not contain an offer to sell or a solicitation of any offer to buy any securities issued by Enel S.p.A. or any of its subsidiaries.

Pursuant to art. 154-bis, paragraph 2, of the Italian Unified Financial Act of February 24, 1998, the executive in charge of preparing the corporate accounting documents at Enel, Alberto De Paoli, declares that the accounting information contained herein correspond to document results, books and accounting records.
