

**ENEL: MAXIMUM DURATION OF INTERRUPTIONS
90 MINUTES**

Rome, June 26, 2003 - Enel wishes to reassure all its customers that single interruptions to the supply of electricity will have a maximum duration of 90 minutes, at the end of which service will be quickly restored.

The Company also informs its customers that, because of the high number of calls to its toll-free numbers and operators, telephone lines could be busy.
