Upon publication of the annual results for the year 2016, as well as the half-year and interim results for 2017, Enel will organise ad-hoc conference calls to present the relevant Group’s accounting data to financial analysts and institutional investors.

Furthermore, in the month of November 2017, on a date to be set at a later stage, Enel will call a special meeting with the financial community during which the Group’s strategic plan update will be presented.

In order to ensure a regular flow of information to the financial community, pursuant to article 82-*ter* of the Consob Issuers’ Regulation Enel plans to continue to publish, on a voluntary basis, periodic financial information – additional to the annual and half-yearly financial reports – with reference to March 31st and September 30th of each accounting period. More specifically interim consolidated financial reports with content that is substantially in line with that adopted so far, are expected to be approved by Enel’s Board of Directors and published within 45 days from the end of the first and third quarter.

A General Meeting of Shareholders to resolve on the approval of the statutory financial statements of Enel for the year ended December 31st, 2016, and on the allocation of net income, is scheduled on a single call for May 4th, 2017.

In line with the dividend policy approved by Enel’s Board of Directors on November 10th, 2016, dividend payments in 2017 are scheduled as follows:
